Full CV · Portfolio and HR tools

9+ years in HR, from HR operations to building the function and partnering with CEOs. Led HR teams of up to 6 in technology, product and e-commerce companies. Connect organisational design, hiring, performance management and leadership development to business priorities across international and distributed teams.

HR LEADERSHIP EXPERIENCE

Iron Invest Group

HR Operations & Strategic Partner

03.2026 - 09.2026 · six-month contract · Poland / Ukraine · 50+ employees

• Built the HR function from scratch for two companies and legal entities in Poland and Ukraine, with 50+ employees, using PeopleForce HRIS/ATS.

• Established end-to-end hiring and employment for the Warsaw office through an outsourcing partner: Umowa o pracę / B2B contracts, payroll and HR administration.

• Developed HR policies reflecting Polish and Ukrainian employment law and GDPR; created a Notion knowledge base.

• Designed two distinct cultural codes: values, manifestos, behavioural indicators and visual identities, integrated across HR touchpoints.

• Designed and automated a 360° assessment model covering 9 competency blocks and 90+ behavioural indicators.

Waistline

HR BP → Operations & Culture Lead (HR Strategy Partner)

03.2025 - 04.2026 · 120+ employees · HR team of 4

• Led a four-person HR team and developed the function from HR operations towards HR strategy and People & Culture.

• Designed and delivered HR strategy and organisational structures aligned with business goals and a team of 120+ employees.

• Quarterly reviews covered 100% of the team in the first cycle; monthly development 1:1s. Completing ≥80% of the quarterly development plan enabled promotion consideration.

• Hiring-plan delivery by actual starts: 61% → 94% in six months. Request to accepted offer: 7-30 days, complex roles 45-55.

• Changes implemented in 2025 delivered an annualized 8% benefit against the payroll plan including hiring: reduced and avoided costs, net of implementation costs.

• In 2025 eNPS: +35 → +82; HR NPS: +56 → +97. Total turnover: 14% in 2024 → 2.5% in 2025, using annual average headcount.

• Developed an HR bot whose reach grew from 25% to 73-81% of employees. Produced quarterly HR digests and regular employee communications.

• Onboarding bot covered 100% of new hires: probation pass rate 67% → 91%, working results by weeks 2-3 instead of 5-6. HR and manager support time fell 27% over six months.

Waistline HR strategy: detailed case and results

DENIS LANVEN / HR HEAD

HR LEADERSHIP EXPERIENCE

Skycoach

HR BP / HR Director

10.2023 - 03.2025 · 190+ employees · HR team of 6

• Led a distributed six-person HR team: function design, RACI, goals, priorities and delivery oversight; established a People Partner model for working with the business.

• Developed and delivered a 1-3-year HR strategy with the CEO; contributed to strategy sessions and decisions on scaling, effectiveness and crisis response.

• Planned and optimised payroll costs against revenue, margins and seasonality; developed compensation approaches, grades and salary ranges across 13 departments.

• Designed organisational structures, headcount and capacity planning around workload and unit economics; addressed duplicated responsibilities, overload and bottlenecks.

• Built end-to-end hiring for IT, product, marketing and operations: intake, role profiles, competencies, funnels, SLAs, time-to-hire and quality-of-hire.

• Implemented OKRs/KPIs, performance reviews and 360° assessments; trained managers in people management, goals and feedback. Key employee turnover fell by 15% over six months; engagement rose by 35%.

• Implemented payroll for employees across jurisdictions and automated HR analytics. Developed L&D, culture, benefits and retention for the distributed team.

BrandsGoDigital

HR Generalist

04.2022 - 09.2023 · e-commerce · 170+ employees · HR team: 2 people

• Led a two-person HR team: strategy, quarterly planning, budgeting and systematic HR processes for a company of 170+ employees.

• Contributed to organisational design, staffing plans and internal moves; introduced HR analytics and feedback to assess process effectiveness.

• Redesigned hiring funnels, role profiles and assessment criteria; personally filled Senior and technical roles.

• Implemented onboarding and individual development plans, performance reviews, 360° assessments, OKRs and employee evaluations.

• Led L&D projects covering provider selection, delivery and evaluation; introduced medical insurance, language courses and burnout-prevention initiatives.

• Developed values and principles, employer branding and internal communications: an interactive employee journey, HR pages, merchandise and events for remote employees.

Changellenge

HR People Partner

02.2021 - 03.2022 · consulting / business education · 140+ employees · HR team: 3 people

• Led a three-person team comprising two recruiters and an office manager; developed hiring, onboarding and HR support strategy.

• Managed hiring for design, sales and video production; a new recruitment process and Huntflow database reduced vacancy closure time to 3-5 weeks.

• Established performance reviews, 360° assessments, individual development plans, internal mobility and promotion; developed financial and non-financial motivation programmes.

• Implemented a mobile onboarding and learning service; led internal and external L&D projects and employee evaluations.

• Developed employer branding, communications and eNPS; delivered a six-month events plan. Established HR documentation workflows and exit interviews to address reasons for leaving.

DENIS LANVEN / HR HEAD

EARLIER EXPERIENCE

Anti-Corruption Foundation (ACF)

Volunteer Team Coordinator
09.2020 - 03.2021 · Moscow

• Built volunteer recruitment, selection, onboarding, training and motivation from scratch; conducted up to 40 interviews a day and coordinated teams.

• Launched a Mango Telecom call centre and CRM integration. Managed CRM development through requirements, timelines and quality control.

• Coordinated events and media communications, represented the campaign publicly and contributed to HR initiative budgets and expense control.

Ivideon

HR Manager (Middle → Senior)
05.2018 - 08.2020 · IT / software development · 230+ employees

• Recruited IT and commercial specialists in software development, infrastructure, sales and marketing; used boolean search and Huntflow, interviewed candidates and coordinated stages.

• Managed onboarding, development plans, probation motivation, feedback and offboarding; designed and delivered sales training and maintained the knowledge base.

• Designed and implemented an internal currency, corporate shop and appreciation service as non-financial motivation tools.

Rocketbank

HR Manager
12.2016 - 05.2018 · banking · 850+ employees

• Managed high-volume recruitment of bank card couriers, call-centre and support-chat employees in a company with 850+ staff.

• Worked on employee grades and workplace conditions assessments (SOUT); contributed to corporate events and workplace organisation.

• Handled HR administration within my remit: contracts, hiring, transfers, departures, timesheets and leave. Addressed reasons for leaving, conflicts and employment disputes.

EXPERTISE

HR strategy and function leadership · Organisational design, headcount and capacity planning · Payroll budgets, grades and compensation · Performance management and leadership development · Talent acquisition · Culture, retention and HR analytics

HR tech: PeopleForce, Huntflow, Notion; author of interactive prototypes for organisational design, team economics, retention and HR scenarios (portfolio).
