HR LEADERSHIP EXPERIENCE

Iron Invest Group

HR Operations & Strategic Partner

03.2026 - 09.2026 · six-month contract · Poland / Ukraine · 50+ employees

• Established the foundations of HR for two companies. Unified recruitment and HR administration in PeopleForce and arranged employment for the Warsaw office through an outsourcing partner.

• Designed separate cultural codes and an assessment model: 9 competency blocks and 90+ behavioural indicators. Created an HR knowledge base.

• Scaled processes across both companies, assigned process owners and established regular reporting to the CEO. Turned the initial setup into repeatable recruitment, onboarding and HR administration processes.

Waistline

HR BP → Operations & Culture Lead (HR Strategy Partner)

03.2025 - 04.2026 · 120+ employees · HR team of 4

• Designed and led the HR strategy, aligning organisational design, People & Culture and operations with business priorities.

• Managed a four-person HR team. Introduced performance management, career frameworks and regular feedback.

• Connected internal communications, employer branding and cultural initiatives. Internal HR bot reach increased from 25% to 73-81% of the team.

Skycoach

HR BP / HR Director

10.2023 - 03.2025 · 190+ employees · HR team of 6

• Designed and led the HR strategy in partnership with the CEO. Built the HR operating model, a six-person team and a RACI responsibility framework.

• Designed a grading system for 13 departments. Introduced performance review and regular feedback, supporting recruitment, rewards and organisational change.

• Key employee turnover decreased by 15% over six months; the engagement indicator increased by 35%.
